## Brooklyn Young Republican Club Backs His Renomination

---

Members of the Brooklyn Young Republican Club, at a meeting last night at the Hotel Bossert, Brooklyn, voted 32 to 1 "unqualifiedly" to endorse Mayor La Guardia for renomination on the Republican ticket.

The club accepted a report by its municipal affairs committee which pointed out that Mr. La Guardia had been Mayor for the last seven years, praised his administration and the character of his appointments, and said that he had maintained the financial credit of the city despite large expenditures for relief and public improvements, dealt effectively with the labor situation and had invaluable knowledge of and experience in national defense preparation.

George H. Gunsher, president, presided.
